-----------	------------------------	--------------------------	--------------------------	--------------------------	-------------------------------------	--------------------------	--------------------------	--------------------------	---------	------------	---------

ASCLD/LAB has extended their accreditation to include this new facility. DPS has conducted an assessment of the facility and found it to meet the expectations of the standards as being an appropriately controlled forensic laboratory. Extension of accreditation granted for six months - to 5/30/13. Second extension of accreditation for lab until 11/30/13. Third extension granted to 5/13/14
